Re: Protest

This application was protested by Charles Wells. A pre-hearing conference was held on July 13, 2015 at the Idaho Department of Lands office in Sandpoint Idaho. Neither the protestant or applicant made an appearance. On July 30, 2015 a Notice of Proposed Default Order was sent to the applicant for failure to appear to a scheduled conference. On August 4, 2015 the applicant contacted the Department by phone and verbally contested the Proposed Default Order, reason being he wasn't sure of the process and was waiting for the Department to give him direction. The Department agreed to continue with the application process. On August 5, 2015 the protestant Charles V Wells withdrew his protest. On August 28, 2015 the Department received an assignment of the application from Thomas Clark to Byron Garrick. On September 18, 2015 the Department received an assignment of the application from Michele Clark to Byron Garrick. The Department will therefore proceed with the issuance of a permit to Mr. Garrick.
