MEMO TO: THE FILE
FROM: KEITH FRANKLIN
SUBJECT: PROPOSED DEFAULT ORDER TO THOMAS CLARK

On August 4, 2015 I received a telephone call from Thomas Clark regarding the Proposed Default Order he received for failure to appear to a scheduled protest conference. He was appealing the order, stating he didn't understand the process. At this point I put the Order on hold since Mr. Clark stated he would assign the application over to the new owner of the property, Byron Garrick, and didn't want the new owner to lose the application. The new owner called me on August 5, 2015 and confirmed what Mr. Clark had said regarding the assignment of application. Mr. Garrick also said he had contacted the protestant, Charles Wells, and Mr. Wells was willing to withdraw the protest. The paper work for the assignment and withdraw of protest should be coming to me within the next few days.
