Re: Meeks Ranch LLC

Dear Mr. Merritt:

Meeks Ranch LLC desires to update the authorized place of use of water right 36-7032. Water right 36-7032 has been set aside for mitigation purposes in agreement with the North Snake Ground Water District since 2005. Canal shares from the North Side Canal Company have been applied to the two pivots since 2005.

It is proposed to update the irrigation place of use of 36-7032 and begin using the ground water in the 2016 irrigation season. Water right 36-7032 will be removed from its current mitigation commitment to the North Snake Ground Water District. Water right 36-7032 does not have sufficient water to cover the entire two pivot. The remaining acres not covered by 36-7032 will be irrigated with canal shares from the North Side Canal Company.

The ownership, period of use, beneficial use and the authorized POD will not be changing at this time.

Please contact me if you have any questions.

Sincerely,

Greg Sullivan, M.S., Engineer
