Re: Multiple Notices of Change of Water Right Ownership Regarding Water Right Nos. 21-7033, 21-7104, 21-7170, 21-7194, 21-10930, and 21-13132

Dear Jonie:

As you know I've been working on partitioning some of Crapo's farm entities for estate planning purposes. In 2005 we partitioned Crapo Farms' land across GMC Farms, RLC Farms, and BKC Farms. And then just lately we re-partitioned some of that land once again. For purposes of this application, we are simply transferring water rights from Crapo Farms to RLC Farms with no splits or changes other than ownership. I think everything is pretty straightforward with this application. This one's simple enough that I'm including only the one deed, which encompasses all of the relevant water rights.

As we're simply transferring these six water rights, please see enclosed check for \$150.

If you have any questions, please don't hesitate to call me at 917 923 0009. If I'm unavailable, Rob Harris is also familiar with this application.

Sincerely,

Lance Crapo
