Re: Notice of Change of Water Right Ownership Regarding Water Right No. 21-4163

Dear Jonie:

As you know I've been working on partitioning some of Crapo's farm entities for estate planning purposes. In 2005 we partitioned Crapo Farms' land across GMC Farms, RLC Farms, and BKC Farms. And then just lately we re-partitioned some of that land once again. For purposes of this application, we are simply transferring water rights from Crapo Farms to all three companies - GMC Farms Inc., RLC Farms Inc., and BKC Farms Inc. - as tenants in common with interest in the land split 40/30/30% respectively.

We also noticed a correction that was needed in one of the original deeds which is why this one field needs to have four separate deeds attached.

As we're simply transferring this one water right, please see enclosed check for \$25.

If you have any questions, please don't hesitate to call me at 917 923 0009. If I'm unavailable, Rob Harris is also familiar with this application.

Sincerely,

Lance Crapo
