Subject: J & R Farms 63-33693 Amendment of Permit Application? Withdrawal?

All,

Good morning! I just spoke with Dan Nelson at the state office. He indicated J & R Farms submitted a "Withdrawal of Application for Amendment of Permit" form for 63-33693 with the proof of beneficial use for 63-33690. I have no record that we've received/are processing an Amendment of Permit application for 63-33693. I looked on App.lis, Apps Backlog, water rights info search, receipt search and found no record of an amendment of permit for 63-33693. If someone is working on this for J & R Farms and I just can't find a record of it, please let me know ASAP so we can sort this out. Otherwise, I'll assume it's safe to say we don't have an amendment application pending and we can disregard the withdrawal form.

Thanks,
Angie
