ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, GARY SPACKMAN, of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 25-07394 with the following:

CONDITIONS OF APPROVAL

1. This right is limited to the irrigation of 5359 acres within the authorized place of use in a single irrigation season.
2. Rights 1-142A, 1-143A, 1-144A, 1-145C, 1-240, and 25-7394 when combined shall not exceed the irrigation of 8269 acres.
3. This right when combined with all other rights shall provide no more than 4.0 afa per acre at the field headgate for irrigation of the place of use.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 1.
5. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
6. Place of use is within the area served by Parks & Lewisville Irrigation Company, Inc.
7. The boundary encompassing the place of use for this water right is described with a digital boundary as authorized by Idaho law. The data comprising the digital boundary are stored in the electronic document management system of the Department and are incorporated into this approval by this reference. A map depicting the place of use is attached to this approval document to illustrate the place of use described by the digital boundary.
8. This right is for the use of trust water and is subject to review 20 years after the issuance of the permit to determine availability of water and to re-evaluate the public interest.
9. This right does not grant any right-of-way or easement across the land of another.

Witness my hand this 28th day of September, 2015.

for Gary Spackman, Director
