RE: Extension of Time to Avoid Forfeiture

Because it was enrolled in CRP, Right 29-00134 was protected from forfeiture through 2010. Years 2011 through 2015 represent the first five years of non-use. The requested extension of time to avoid forfeiture should be authorized for an additional five years of protection, i.e. 2016 through 2020. Resumption of use should be expected in 2021.
