RE: Change in Ownership Water Right No. 35-4074A & 35-4074B

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department has all the required information for water right 35-4075B

Our review of your notice indicates that additional information is required for water right 35-4074A before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The water right covers property located in the SENE quarter of Section 9. According to the evidence of ownership submitted with your application you do not own any portion of that quarter quarter. Please supply evidence of ownership or a release from the property owner. If you do not own that portion of the water right please supply the additional filing fee of $75.00 in order for the department to split the water right.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
