To whom it may concern:

David and Vickie Leary purchased property from Bonita Dietzman on 12/12/14. She will be given special rights to live in the home and the fenced area around the home until her passing. She will have the use of the springs that bring water to the home as long as she remains there.

We will not be responsible for repairs or upkeep on the home. The home is in bad shape and she accepts it that way. She will pay for any repairs that need to be done.

In the event that David and Vickie pass before Bonita and the ownership changes to their children Brandon, Kathy, or Michael Crawford they must let Bonita Dietzman remain in the home and honor the same conditions put forth between David and Vickie. (Any decision to sale land must be agreed upon by a 2/3 vote of the children until Bonita Dietzman is no longer living on the property.)

If one of the now owners David or Vickie passes and the property transfers to the other same conditions apply.

Re: Change of Ownership for Water Right/Permit No(s): 65-436 and 65-437

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and §42-223, Idaho.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience. If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Jean Hersley
