RE: Notice of Change in Water Right Ownership No(s). 82-4041A, 82-7150 and 82-7068

Dear Interested Party(s):

The Department of Water Resources received a request for a Notice of Change in Water Right Ownership from you on March 9, 2015. A letter was sent on April 8, 2015, requesting an additional conveyance document, i.e. warranty deed, quitclaim deed, etc., that conveys land in Township 31N, Range 04E, Section 33, NWNE and SENW. These portions were not included in the deed you provided the Department. If additional deeds are not provided, this water right will need to be divided. Fees for ownership changes on water rights that have to be divided are \$100 per water right.

The property conveyed in the deeds you provided do not include land appurtenant to water right 82-7150. Unless additional deeds are provided, the ownership of this water right will not be updated. You can mail the documents to the address above, email it to: jean.hersley@idwr.idaho.gov or fax to (208) 287-6700, Attn: Jean. If no documents are provided, a fee of \$50 will be required to complete this change in water right ownership.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 15 days we will return your notice and all attachments and your notice will not be processed.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

Jean Hersley
