RE: Change in Ownership Water Right No. 15-7223, 15-7350, 15-7351 & 15-7353

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Thank you for your prompt response to our previous letter. Please note in order for the department to complete your application evidence of ownership is required. The department does acknowledge receipt of the deed showing the water rights were withheld from the sale to Thomas and Marcene Williams, however we did not receive the deed going from Triple R Development LLC and Peoa River Valley Ranch Land to Peoa River Valley Ranch. Please submit a copy of a deed or other legal documentation of ownership.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
