IN THE NAME OF BRYCE W. CRANE AND	)	NOTICE OF
APPLICATION FOR TRANSFER NO 80080	)	PRE-HEARING CONFERENCE
IN THE NAME OF BRYCE CRANE	)	
<u>AND DRUE SMITH</u>	)	

On March 6, 2015, Bryce W. Crane filed Application for Transfer No. 80077 and Bryce Crane and Drue Smith filed Application for Transfer No. 80080 with the Idaho Department of Water Resources ("department"). Amendments to the applications were filed on May 13, 2015, changing the proposed places of use. The applications were advertised to the public on May 27 and June 3, 2015. A protest was filed on both applications by Redwood Farmland Holdings, L.L.C represented by Peter A. Folk of Volk Law P.L.L.C. Quinn Jensen protested Application for Transfer 80077.

The department has scheduled these matters for a pre-hearing conference to be held on October 28, 2015, beginning at 10:30 am. The conference will be held at the Paris School District Board Room, 39 Fielding St, Paris, Idaho.

For those who need to participate by teleconference, below is the teleconference numbers:

**Telephone: 1-877-820-7831
Participant Code: 889693**

Agenda items for the pre-hearing conference will include:

1. Review the application.
2. Identify and discuss issues of protest.
3. Designate date for conducting an administrative hearing.
4. Set dates for discovery and pre-hearing disclosures.

The department encourages the applicant and protestants to discuss and resolve the protests before the pre-hearing conference. If private discussions are not possible or do not resolve the protests, the department's Rules of Procedure (IDAPA 37.01.01) provide for a pre-hearing conference to be held before scheduling a formal hearing.

The pre-hearing conference provides another informal opportunity for the applicant and protestants to meet. The parties often settle their differences at the pre-hearing conference. If a formal hearing is needed to resolve the protests, the pre-hearing conference serves as an opportunity to narrow or simplify the issues, obtain concessions of fact or identification of documents to avoid unnecessary proof, schedule discovery (when discovery is allowed), arrange for the exchange of proposed exhibits or prepared testimony, limit witnesses, schedule the hearing, establish procedure to be used at hearing, and address other matters that may expedite orderly conduct and disposition of the proceeding.

It is important for all parties to give considerable thought to each of these matters before appearing at the pre-hearing conference and to make the most of the opportunity to resolve the dispute informally.

The pre-hearing conference will be conducted in a facility that satisfies the accessibility requirements of the Americans with Disabilities Act. If you require special accommodations in order to attend, participate in, or understand the conference, please notify the department at least (10) days prior to the hearing. Inquiries about scheduling or hearing facilities should be directed to Sharla Cox at (208) 525-7161.

Dated this 17th day of September, 2015,

Water Resources Program Manager
