RE: Ownership Change for 2-2245A (split into 2-2245A and 2-10519)

Dear Water Right Owner:

After further review of the ownership change request you submitted to the Department, it was determined that the split was completed incorrectly. Your property located in Township 06S, Range 05E, Section 3, NWNE is entitled to **9 acres** of irrigation instead of 10 acres. The Department has modified its records and has enclosed a computer-generated report for your records.

The original water right, 2-2245A, was limited to 39 acres in Township 06S, Range 05E, Section 3, NWNE, where your property is located. Enclosed is a map from our adjudication records showing the portion that was not included in the adjudication claim and partial decree. The area appears to be a dirt driveway/parking area that is one (1) acre in size.

Please feel free to contact me at (208) 287-4942 if you have any questions concerning the enclosed information or this letter.

Sincerely,

Jean Hersley
Technical Records Specialist II
