Mr. Robison,

That is good news. I will hold processing until I receive BLM's formal withdrawal of protest. A letter will be sent to notify you when that happens. Then we can move towards final action on the transfer.

Pam

Hello Pam,

I visited with Fred Price from the BLM about the water transfer in Lemhi County. He agreed to withdraw the protest because there will be no irrigation on BLM land. Thank you for your assistance with this matter.

Fred Price:

I received the protest you submitted on behalf of BLM for Application for Transfer 79975 in the name of Adrian Rand Robison and Dorothy H. Robison. I believe your concerns may already have been addressed during the initial department review of the Robison application and correspondence with the applicants. You can review this documentation in the scanned record of water right 74-1593 from our online search tool on the public website.
