Keith and Roger,

I made a mistake and sent you an amendment that had the original priority date. I have attached an updated amendment for you. I have sent the correct amendment to the Smiths by regular mail, so they have the amendment with correct priority date.

Sorry about that.

Dan Nelson

Hello Keith and Roger,

I just finished reviewing the field exam that Keith did for Kathy Sue and James A Smith on water right permit 75-14490. The field exam was excellent, and I have prepared the amendment for the point of diversion. I wanted to give you both a heads up, since both of your names are in the file. I have attached a copy of the amendment and the letter with this email. If you have any questions, please don't hesitate to contact me.
