Hi Adam,

Hope you're doing well in all of this smoke.

Attached are photo copies of originals that I mailed in to your attention in order to transfer the permit on 1421 Red Fir Road from the Stratford Trust to Matt and Lori Mandino. I mailed these out on July 16th and they did not bounce back to me, so I'm assuming they made it to your office.

As of this morning, Matt had not received anything to date showing the transfer took place, so he called in and spoke with a gentleman that said they had no knowledge of the transfer request.

Can you please let me know if that was just an oversight on his part ... or where we might go from here? Obviously, I don't still have the originals in my possession, only these color copies.

Thank you,
