RE: Change in Ownership Water Right No. 11-4064, 29-523, 29-10169 & 29-10168

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Ownership change received for the water rights listed above, according to the notes on file the department has had contact with you off and on since it was received. The last contact was in November of 2014. This is a friendly reminder that information is still required before this ownership change can be processed.

We have all the required documentation to complete the ownership for water right 29-523, as we discussed we will only be removing Don Rigby from the water right and replacing his name with Bancroft Investment Group LLC and Max Rigby will remain on the water right as a current owner.

For water right number 11-4064 we need additional evidence of ownership. The deed received only covers a portion of the place of use; therefore the department must either split the water right or receive additional evidence of ownership.

For water rights 29-526, 29-10169 and 29-10168 the department received a Quit Claim Deed for the Water Rights only however the deed is from the Don C Rigby Family Partnership and the water rights are currently in the name of Don C Rigby. A deed from Don C Rigby is required. The deed can be from Don C Rigby to Don C Rigby Family Partnership or from Don C Rigby to Bancroft Investment Group LLC.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
