RE: Change in Ownership Water Right No. 25-4084, 25-14002, 25-14249, 25-14004 & 25-14250

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The department has enough information to complete water right number 25-14002 & 25-14250. According to the information received with your application water right numbers 25-4084 and 25-14249 are not appurtenant to your property and you only own a portion of water right number 25-14004. In order to complete the ownership change evidence of ownership for water right 25-4084 and 25-14249 are required and additional information for 25-14004 or an additional filing fee for the division of the water right. Split water rights require a fee of \$100.00 per water right. Please review the map attached, if you feel you own all or a portion of the water rights in question please supply evidence of ownership for the entire place of use of the water right or additional filing fee for your portion of the water rights.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

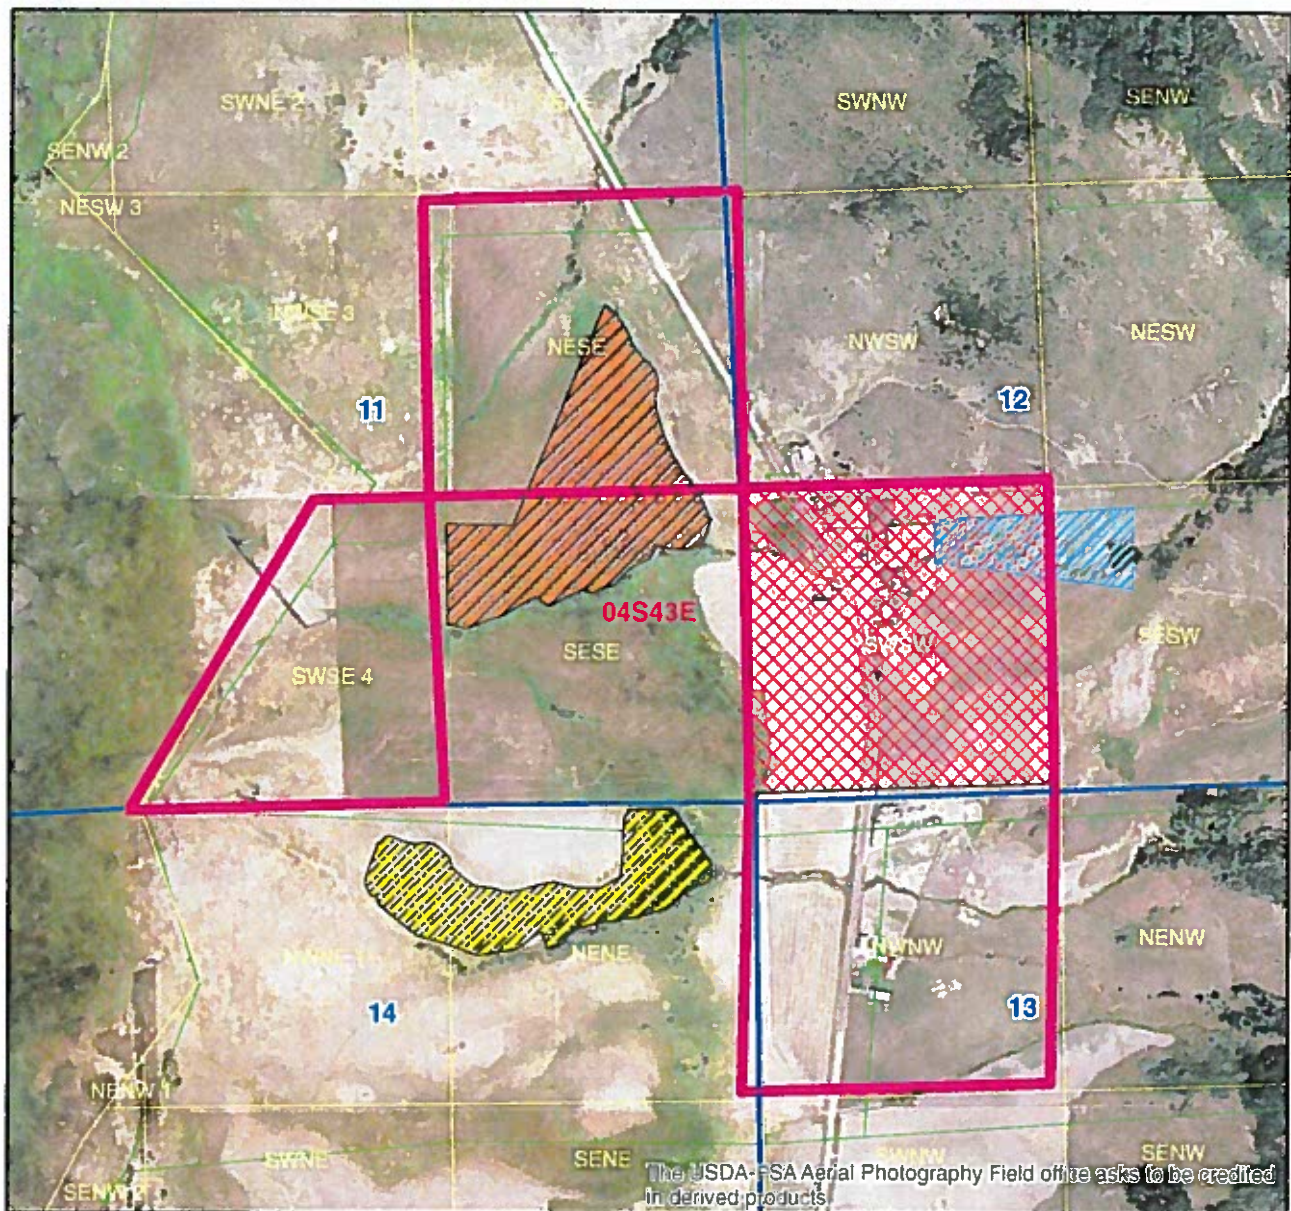

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
