CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11.
2. Use of water under this right shall be non-consumptive.
3. This right does not grant any right-of-way or easement across the land of another.
4. Fish Propagation use is for fish protection through the installation of a 10 inch pipe for fish passage from above a fish screen to a point 200 feet downstream.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 26th day of August, 2015.

for GARY SPACKMAN
Director
