Subject: Water Intake Permit

Hello Dave,

When we were speaking on the phone I guess I was not aware of exactly where you lived. Our 'jurisdiction' stops at St Joe City at the bridge. Therefore you will not need a permit from Idaho Department of Lands for the water intake line. However, you will need to contact IDWR (Idaho Dept of Water Resources) and make application with them.

We will refund your check, and I apologize for the confusion and any inconvenience.

I have attached the IDWR application for you, and please let me know if you have another copy of what you sent me, otherwise I can scan it and email it back to you. It may be needed or helpful when dealing with IDWR.

Thanks,
