4. If the water rights and/or adjudication claims were split, how did the division occur?
- ☐ The water rights or claims were divided as specifically identified in a deed, contract, or other conveyance document.
- ☐ The water rights or claims were divided proportionately based on the portion of their place(s) of use acquired by the new owner.

5. Date you acquired the water rights and/or claims listed above: April 22, 2015

6. If the water right is leased to the Water Supply Bank changing ownership of a water right will reassign to the new owner any Water Supply Bank leases associated with the water right. Payment of revenue generated from any rental of a leased water right requires a completed IRS Form W-9 for payment to be issued to an owner. A new owner for a water right under lease shall supply a W-9. Water rights with multiple owners must specify a designated lessor, using a completed Lessor Designation form. Beginning in the calendar year following an acknowledged change in water right ownership, compensation for any rental will go to the new owner(s).

7. This form must be signed and submitted with the following **REQUIRED** items:

- ☒ A copy of the conveyance document - warranty deed, quitclaim deed, court decree, contract of sale, etc. The conveyance document must include a legal description of the property or description of the water right(s) if no land is conveyed.
- ☐ Plat map, survey map or aerial photograph which clearly shows the place of use and point of diversion for each water right and/or claim listed above (if necessary to clarify division of water rights or complex property descriptions).
- ☒ Filing fee (see instructions for further explanation):
- ☐ \$25 per *undivided* water right.
 - ☐ \$100 per *split* water right.
 - ☐ No fee is required for pending adjudication claims.
- ☐ If water right(s) are leased to the Water Supply Bank AND there are multiple owners, a Lessor Designation form is required.
- ☐ If water right(s) are leased to the Water Supply Bank, the individual owner or designated lessor must complete, sign and submit an IRS Form W-9.

Re: Water Rights Notice of Change in Ownership

Dear IDWR:

Please find enclosed an original Notice of Change in Water Right Ownership. Also enclosed is a check made payable to IDWR for the change in ownership of five (5) water rights in the total sum of \$125.00. Lastly, please find enclosed recorded deeds to the land and water rights which have been transferred to Gill Family Ranches, LLC, an Idaho limited liability company.

Please note that the intention to transfer water rights to the LLC is reflected by direct reference to the rights 79-10347 and 79-4031 as well as a general catch all phrase in the last paragraph of each deed referring to any water rights appurtenant to the land described in each deed.

If you have any questions please call me at the above phone number rather than calling my clients (listed as the old owner as well as the new owner).

Best wishes,

Peter Volk
