RE: Place of use update

While doing an overlap analysis for permit 65-23471, I conducted an analysis of the tax lot data to determine which lots were developed by 1980 for this right. The following lots were the only 18 lots that were associated with a home built by 1980.

Domestic Application said for 62 homes field report stated 18 lots were being used.

Blk 5 Lot1, Blk 1 lot 12, Blk 3 Lot 12, Blk 3 Lot 7, Blk 1 Lot 6, Blk 1 Lot 3, Blk 1 Lot 27, Blk 1 Lot 28, Blk 2 Lot 6, Blk 2 lots 4 & 5, Blk 1 Lot 11, Lots 19, 20 and 21, Blk 3 Lot 3 Blk 3 Lot 4, Blk 2 lot 7 were the only lots with homes associated with them in tax-lot data built by 1980 in Rivers Point Sub. The shape was updated in ArcMap to reflect this research.
