RE: Protested application 47-17503 (originally filed by Cardozo)

Dear Mr. and Mrs. Gaalswyk,

As you may recall our office contacted you earlier this year to inquire of your continued interest in this application that has been assigned to you. In March you replied that you were still interested in this application and we had various discussions about what options you had for recording the domestic use contemplated by the application. At that time you were going to consider your various options and possibly talk directly with Mr. Kimball, protestant to this application, in an effort to resolve the protest or get his take on your other options.

The purpose of this letter is to inquire as to any progress in resolving the protest or as to any decision made to explore other options. Please let me know the status of this application and of the potential need for scheduling a pre-hearing conference.

Please feel free to contact me at this office if you have questions.

Sincerely,
