RE: Change in Ownership Water Right No. 15-7223, 15-7350, 15-7351 & 15-7353 (15-4035 listed on your application, however that is not a valid water right)

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The department cannot complete your request to change the ownership for 15-4053 because it is not a valid water right.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

\*\*\*\* **Evidence of Ownership:** Please find attached a map showing the place of use of the active water rights listed above. According to the information we received with your application you only own a portion of water rights 15-7223, 15-7351 & 15-7353, therefore a division of the water right is required. Please review the map attached if you own the entire place of use please supply additional information covering the entire place of use of the water rights.

\*\*\*\* **Additional Filing Fee:** The filing fee for an ownership change that does not require a division of the water right is \$25.00 per water right. The fee for a split water right is \$100.00 per water right. The filing fee for your application if the department has to split the 3 water rights mentioned in the previous paragraph is \$325.00. The department has received \$50.00. So the additional fee is \$275.00. If during your review you find a split should not be required please supply the additional information and the filing fee will be \$100.00, therefore the additional fee would be \$50.00.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

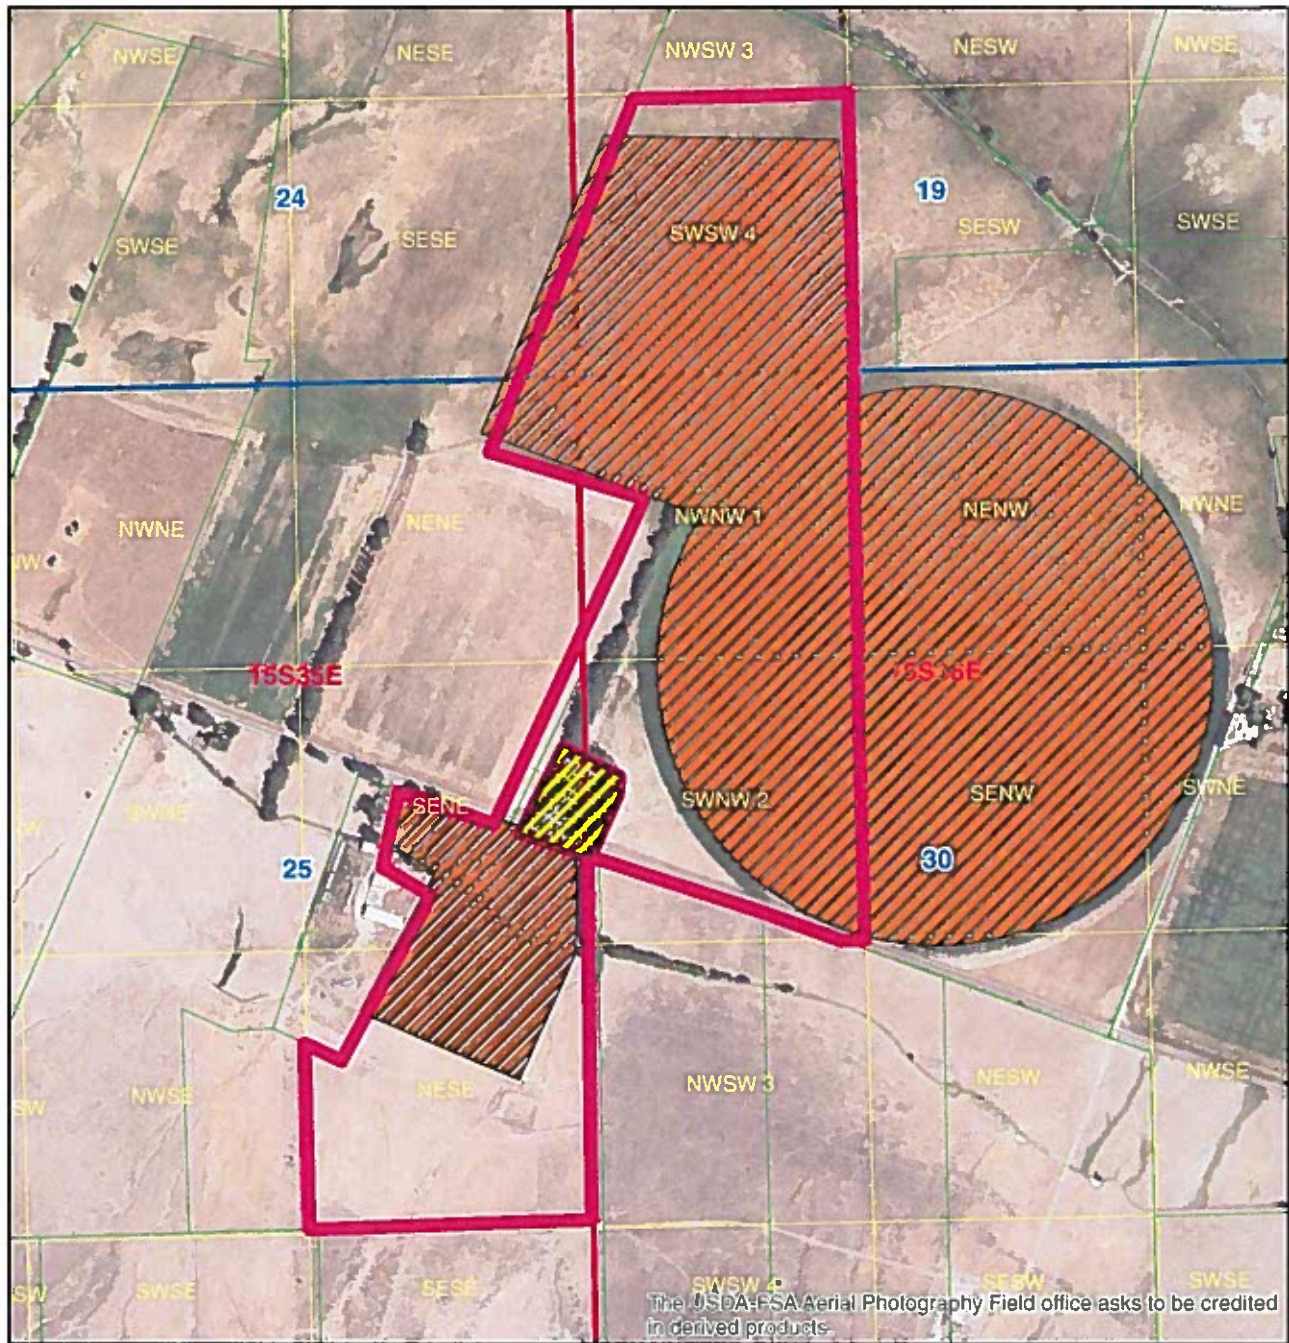

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg  
Technical Records Specialist
