RE: Change in Ownership of Water Right No. 96-7101

Dear Mr. Weese:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

You submitted a Quitclaim Deed conveying ownership of the property from Harriet Richens to you. We will require conveyance documents indicating the change of ownership from Joseph Opferman to Harriet Richens.

There are two water rights associated with this property. I have enclosed computer-generated reports for your records. You may submit a Notice of Change in Water Right Ownership for the second water right 95-4029, which will require a \$25 fee to process.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Debbi Judd
Technical Records Specialist
