Strange. We have our mail forwarded to us here in Sandpoint. If you could please send it here that would be great.

Thank you,

Dear Mr. Castles,

Re: Issuance of License No. 96-9461

On July 29, 2015, the Department of Water Resources (Department) has made an attempt to mail you a copy of your issued water right license, but the mail was returned to our office marked by the US Postal Service as "Temporarily Away". The Department would like to know when you will be back at your mailing address of record with us, so a copy of your issued water right license can be resent to you.

Sincerely,
