RE: Change of Address Water Right/Permit No.: 47-8047, 47-7726 and 47-17633

Dear Water Right/Permit Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing the address of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Also, a note on the Change in Address request mention you wanted to remove your name from other water rights. The Department cannot record a change in water right ownership of a water right unless accompanied by proper notice of the change, including sufficient evidence of the change. Adding or removing a name should be considered an ownership change subject to the filing fee and should not be processed without the appropriate evidence.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions, www.idwr.idaho.gov.

If you have any questions regarding this matter, please call me at 208-287-4942.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
