RE: Change in Ownership Water Right No. **34-10410, 34-14319 & 34-14321**

Dear **Sir/Madam**:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The ownership change for water rights 34-14319 and 34-14321 has been updated.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Map:** After review from an agent in our department, we have determined a map showing the where the 3 acres of water right 34-10410 will be dried up, is required. After we have a map we will update the ownership and you will be ready to start the process of transferring the water right to your property. I have attached a map showing the place of use the water right, please clearly mark the three acres and return the map to our department.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

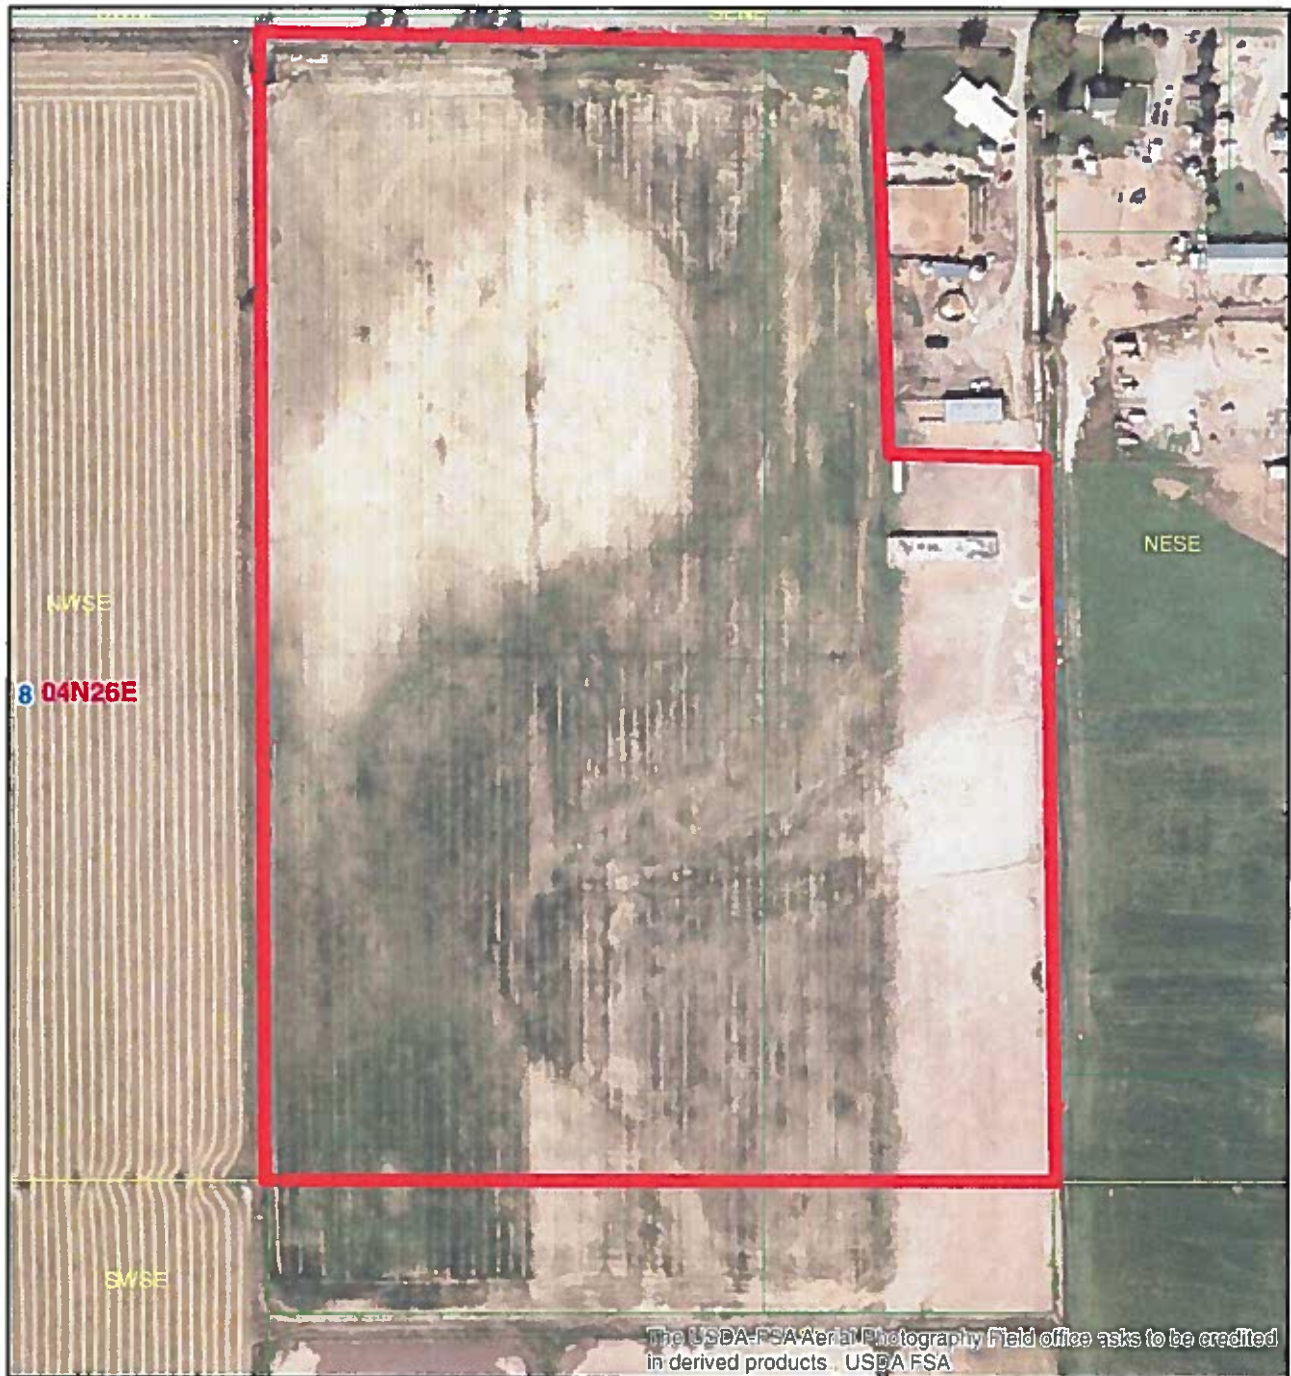

Please feel free to contact the Department if you have any questions. You can return the map via fax (208)525-7177, email jonie.barg@idwr.idaho.gov or mail to the address above.

Sincerely,

Jonie Barg
Technical Records Specialist
