CONDITIONS OF APPROVAL

1. Use of water under this right shall be non-consumptive.
2. The source of water is also known as Snodgrass Creek.
3. The rights for the use of water acquired under this right shall be junior and subordinate to all other rights for the use of water, other than hydropower, within the State of Idaho that are initiated later in time than the priority of this right and shall not give rise to any claim against any future rights for the use of water, other than hydropower, within the State of Idaho initiated later in time than the priority of this permit.
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 29.
5. This right does not constitute Idaho Public Utilities Commission or Federal Energy Regulatory Commission approval that may be required.
6. The term of this right shall extend to December 31, 2038. Prior to the expiration of the term, the Director may issue an order canceling all or any part of the use authorized herein, may establish a new term, or may revise, delete, or add conditions under which the right may be exercised. The order shall take effect on the date the current term expires. If the director does not issue such an order, the term shall automatically extend to a length equal to the project's prior term and any prior conditions on the water right shall remain in effect.
