CONDITIONS OF APPROVAL

1. The pond established by the storage of water under this right shall not exceed a total capacity of 3.2 acre-feet or a total surface area of 0.5 acres.
2. Water stored under this right is subject to fluctuations of the water table caused by changes in the flow of local streams and by diversions under prior ground water rights. This right does not guarantee the maintenance of any particular ground water level.
3. This water right does not grant the holder a right to pump groundwater. The pond established under this right is limited to the fill resulting from natural seepage.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 7th day of August, 2015.
