RE: Notice of Security Interest in a Water Right 32-2096A & 32-7053C, 32-4011B, 34-7034B, 32-7034C, 32-10018, 32-7228, 32-7226, 32-7227 & 32-7230

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Water Right number 32-10018 is not in the name of Kristine Larsen, if the water right should be in her name an ownership change application, evidence of ownership and filing fee is required.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing an security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
