RE: Change in Address form received on 5/29/2013

Date: July 31, 2015

.....

In May of 2013, I was working with Dixie at the Department of Lands on licensing some of their water rights. While we were working together, I received the attached "Change in Address" form. I discussed this with Dixie and she was going to follow up on what should be done. I told her that if we change the address for "Idaho Dept. of Lands" it would change the address for that department, not just the one water right listed on the form. Dixie was going to check with her people and see what address should be used. She thought it should be either "Statehouse mail" or "300 N. 6th St.". Since I never heard from her in this regard, I did not process the attached request.
