RE: Change in Ownership Water Right No. 35-2070, 35-7048 & 35-7109

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Additional Information or Additional Filing Fee:** First I want to inform you that the department received an ownership change on your behalf from the Idaho AgCredit as well. So the department currently has \$150.00 filing fee for this ownership change. Please review the map attached it appears that a split is required. According to the legal description of the property purchased Murdock's retained about 5 acres of the water rights listed above. If you believe it is not the Murdock's intent to retain any water rights the department will require a release from Lynn Murdock (the current owner of the water right) and/or the current property owners. If you decide to split the water right an additional filing fee of \$150.00 will be required.

Filing fee for a non split ownership change is \$25.00 per water right (3 X 25= 75)

Filing fee for a split ownership change is \$100.00 per water right (3 X 100= 300)

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
