RE: Change in Ownership of Water Right No. 98-7315

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

During our review of the documentation you submitted we found the documents you provided do not include the complete legal description referred to as Exhibit "A" in the warranty deed. I have enclosed a copy of the water right(s) for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Debbi Judd
Technical Records Specialist I
