Re: Application for Transfer of Water Right – Point(s) of Diversion

Dear Agent,

Please find enclosed 3 Applications/Forms regarding water rights to the Teton Reserve of Teton County, Idaho.

- The Application for Transfer of Water Right – Points(s) of Diversion for TR Golf, LLC is to add two points of diversion for the domestic water right 22-13244 for Teton Reserve. The owner of this right is still listed as Teton Valley Golf Association. This application does not propose to change the ownership at this time due to other complications with ownership of individual lots. However, this application is necessary to add additional wells to the domestic water right to meet DEQ requirements and supply needs. Therefore, TR Golf, LLC, the current owner of the golf course and development, is filing this transfer on behalf of all who have an interest in the domestic water right, to add the necessary points of diversion. A Quitclaim Deed from Teton Valley Golf Associates, LP granting all interest in water right numbers 22-7347, 22-13210, and 22-13244 to TR Golf LLC is included as Attachment #2. In addition, Bruce Hollis, who signed the application, is a co-owner of TR Golf and the president of Teton Reserve Master Association, Inc. (the Homeowners Association).
- There is also a Change in Address form for water right nos. 22-7347 and 22-13210 to update the contact information of Teton Valley Golf Association (the previous owners) to the address of TR Golf while ownership issues are sorted out. Teton Valley Golf Association has expressed a concern about continuing to receive mail in regards to Teton Reserve. By changing the address, TR Golf will be able to receive important mailings that may impact TR Golf and Teton Reserve occupants. Ownership will be updated when the issue is resolved with lot owners.
- Also enclosed is an Assignment of Permit for permit no. 22-14132 from TR Golf, LLC (Owners), to Teton Reserve Master Association, Inc. (the Homeowners Association).

Thank you,
