FAX (208) 525-7177

james.cefalo@idwr.idaho.gov

Dear Sir:

As per our agreement at the meeting on July 6, I have obtained copies of these deeds for the Paris Canyon property back to when the Caldwell estate sold the 80 acre farm to William Froerer. I hope these will be helpful in our request for the water rights that we filed jointly with the Flinders LLC and Wayne Green at that meeting.

Thank you for your advice and attention in this matter.

Sincerely
Austin Clow
