

MEMORANDUM

DATE: July 24, 2015
TO: Water Right File 37-496G
FROM:  Clay Webster

RE: WSB Lease Status

Upon review of this file I found that the Water Supply Bank Lease signed on November 12, 2010 was an invalid lease. The application that was processed for this lease was actually for 37-496F. The lease had already been closed in Workflow and in the Access Data Base. However, whoever fixed this error had forgotten to fix the problem with the documentation in the file.
