RE: Rescheduling Pre-Hearing Conference, Transfer 78950

Protestant Roy Mink called to ask about attending 1/28/2015 conference by telephone – he is in Arizona until early April (snowbird?). He can be reached at 208-550-0637 (dialing 1 first not needed).

I told him I am reluctant to do that for at least an initial conference unless it is an emergency or something similar, which this is not. Also, unexpected Western staffing issues make it hard to remain on track with the original scheduling.

It is better to reschedule for this April somewhere closer to the site, probably Weiser. He was okay with this idea.

I called Frank Schwartz and explained the situation. He was also okay with postponing and thought April would work. He can be reached at 1-208-821-0388 (do need 1 first).

Follow up

- 
1. Send cancellation letter and include calendars for April and May to identify all available dates for them.
 2. Determine best location and contact information in Weiser for possible rescheduling. The county courthouse is probably the best site.
 -  3. Per Mink's request, send copy of correspondence through 3/31/2015 to:
