Re: permit No. 63-32238 Lapse Notice dated June 8, 2015

Erlebach Properties has relocated to 17080 Stiehl Creek Drive, Nampa Idaho 83678. In our relocation we must have missed your proof due notice dated March 31, 2015. We formally request a 60 day extension of time so we can file our Statement of Completion. We also request that our change in address be noted in your system so this does not happen again.

We apologize for the delay and appreciate your consideration in granting our request. Since we have recently purchased the property and transferred the water rights and are unaware of what the Statement of Completion is, we will be required to hire a firm to help us stay in compliance with the Department of water resource requirements. We will immediately get this taken care of.

Sincerely:

Dave C. Erlebach
