PROOF DEFICIENCY LETTER

RE: Permit No. 32-13308

Dear Permit Holder(s):

The Department received the Proof of Beneficial Use (proof) form you submitted for the above referenced permit. I am returning the original proof form you filed with the department on July 1, 2015, as item nos. 4, 6 & 7 on your proof form appear to match more closely to the information listed under a different water right permit in your name.

Enclosed is a copy of this permit for your reference with computer generated reports that describe both of your permits. I have also enclosed a new Statement of Completion form for submitting proof of beneficial use. Please fill out a new proof form that reflects the uses and amounts allowed under this permit, and return it to me in the enclosed self-addressed stamped envelope.

A \$125.00 license examination fee was also submitted with the original proof form. Only a \$50.00 license examination fee is required for this permit, which has a ground water source and a maximum diversion volume of 2.0 AF (acre feet).

If an acceptable proof form is received, the \$75.00 portion of the submitted fee in excess of the required amount will be returned to you. If an acceptable proof is not received, the entire fee submitted will be returned to you, and this permit will lapse.

I will hold this matter for your response for fifteen (15) days from the date of this letter. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block
