
MEMORANDUM

TO: FILE 65-13538
FROM: DANIELLE FAVREAU
SUBJECT: CONDITIONS
DATE: JULY 13, 2015
CC:

Water Permit 65-13538 includes condition X22: When water is not available to fill this right, the right holder shall cease diversion or shall rent water from the Payette River Rental Pool. Upon licensing, the Usage Description for this condition indicates: Inactive on 7/12/2001. Use remark X23 instead.

Per the Usage Description for condition X23, the condition was made inactive on 03/14/2006. The Usage Description further indicates: Replaces remark X22. If X23 is on a permit, carry it forward in licensing.

Upon review of active conditions related to the water bank and the rental pool, I suggested using Condition 185. The use of Condition 185 was not recommended upon review by Administration.

Although X23 was not explicitly used on permit, it was carried forward onto license and reviewed by Administration.
