RE: Change in Ownership Water Right No. 11-4065, 11-7576 & 11-7577

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** In order for the department to complete your ownership for water rights 11-4065 and 11-7576 additional evidence of ownership is required. Please supply a full chain of title from the current owner (the current owner is Rose Oxarango) of the water right to you. The property in question is located in Section 3, 9 and 10 all in Township 10 South Range 43 East. According to our conversation you bought this property from FHA not Rose Oxarango, this deed maybe sufficient for what we need, if not we will contact you. You can send the deed either, via email, fax or usps, addresses and fax number are listed below.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
