RE: Change of Address Water Right/Permit Nos. 63-33684 & 63-33686

Dear Water Right/Permit Holder:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing the address of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

The water right numbers referenced on your Change in Address form (63-30466 & 63-30467) are no longer correct. Those two particular water rights were split into 4 new water rights in 2012 when the Department received a Notice of Change in Water Right Ownership application from Dennis J Joost. Please refer to these water right numbers in any future correspondence.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions, www.idwr.idaho.gov.

If you have any questions concerning the enclosed information or this letter, please feel free to contact this office at 208-334-2190.

Sincerely,

Chad Jones
