Thanks, Dale. Please let this email confirm that the pre-hearing conference scheduled for this Thursday, July 16 at 9:30 for Transfer No. 79935 is cancelled as the only protest against the application has now been withdrawn.

We are still planning on meeting in your office at 11:00 to discuss Transfer Application 79866 (Rocky Gulch Farms) and at 1:00 to discuss the transfer being considered by Brian Loosli.

James/Sharla,

This is notice that Fremont-Madison Irrigation District is withdrawing its protest of Transfer No. 79935 in the name of James and Jacklyn Klausmann or Jeffrey and Darcy Klausmann. During discussions with Roger Warner of Rocky Mountain Environmental Fremont-Madison learned that there are sufficient irrigated acres being dried up to compensate for evaporation from a 1.4 acre pond. Please let me know if you have any questions.

Best Regards,
Dale
