

MEMORANDUM

To: Transfer files: 79357, 79380, 79384 (Thomas Leno)
From: Denise Maline, Southern Region 
Date: June 29, 2015
Subject: Signature dates of protestants &/or petitioners

On the afternoon of June 25, 2015, the Department received original document titled "Petitioners Objection to Applicants Exceptions to change the ruling made by Hearing Officer May 29, 2015.", with an attachment labeled "Exhibit A". This document was hand delivered to Southern Region by Margaret Winsryg (protestant). The document contained (4) four original signatures at that time.

On the same afternoon, Richard Parrott (protestant), came into the office to add his signature to the Petition. Mr. Parrott indicated that he had spoken to several of the protestants, and had advised them to come into our office and sign the Petition as well. Friday June 26, 2015 was the final day to file responses regarding transfer 79284, which was denied via Preliminary Order of the Department. Monday June 29, 2015 is the final day to file responses regarding transfers 79357 & 79380, which were approved via Amended Preliminary Order of the Department.

After discussions with the State Office on June 26, it was decided to document in a memo how the protestants continued to add their signature(s) to Petition after it was first submitted so that there was a record as to why there are signatures on the Petition that post-date its submission.

On Friday June 26, 2015, six additional protestants came into our office and signed the original document. In total, there are eleven signatures on the Petition.

As of the end of today, the 29th, the department has not received any additional signatures on this Petition. Original documents will be forwarded to Gary Spackman accordingly.
