RE: RETURNED APPLICATION(S) TO LEASE WATER RIGHT NO(S). 29-2545 TO THE WATER SUPPLY BANK

Dear Applicant:

The Department of Water Resources (Department) has completed its review of your application(s) to lease water right(s) to the Water Supply Bank (Bank). Based on that review, the Department cannot accept water right 29-2545 into the Bank.

This letter is notice that the attached application(s) to lease water to the Bank are being returned. The Bank rules provide criteria to be considered when determining whether to accept a water right into the Bank. The acres listed to be placed in the Bank are not part of the water right. The place of use was updated by approved transfer # 79586 in 2014. I have attached a map of the current place of use for water right 29-2545.

A refund of \$250 has been requested and will be sent to Brockway Engineering PLLC within 10 days under separate cover from the State Controller's Office.

Please note the forfeiture period is not tolled unless a right is accepted into the Bank, or unless an exception or defense to forfeiture applies as described under Idaho Code § 42-223. If forfeiture is a concern, you may consider filing an Application for Extension of Time to Avoid Forfeiture of a Water Right form. This and other water right forms are available from the Department's web site at www.idwr.idaho.gov.

If you have any questions, please contact me at (208) 287-4942

Sincerely,
