RE: Application for Extension of Time to Avoid Forfeiture of a Water Right.

Dear Mr. Sutton:

IDWR has received the Application for Extension of Time to Avoid Forfeiture of a Water Right for Water Right Nos. 37-21854, 37-21871, 37-21888, 37-21905, and 37-21922.

According to these applications the water rights are all currently being used beneficially. If this is the case, then no extensions need to be filed in order to avoid forfeiture and the applications could be withdrawn.

In order to move forward, it is requested that you clarify, in writing, the reasoning behind filing these extensions, or if you feel that you would like to withdraw the applications please notify IDWR of it in writing as well. In order to receive a refund for the withdrawn Applications for Extension the withdrawal must take place before the extensions are processed and submitted for advertizing.

If you have any questions, please do not hesitate to contact IDWR at (208) 736-3033.

Sincerely,

Clinton C. Barnes  
Water Resource Agent
