RE: Change in Ownership Water Right No. [32-7229](#), [32-7231](#), [32-2095A](#), [32-7053D](#)

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership/Additional information:** Please supply a copy of a warranty deed or other legal evidence of ownership for the water rights listed above. There appear to be some discrepancies between the change of ownership application and the Warranty Deeds Supplied. The change of ownership application lists Chad Larsen and Jessica Larsen. The deeds supplied list Richard and Peggy Larsen. I did look up one of the water rights and deed supplied does not appear to cover any portion of the water right. Please either update the ownership change for or supply the correct warranty deed. According to the notes on the file this information was previously requested on January 28, 2015 and February 20, 2015 via email.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
