RE: Change in Ownership Water Right No. 13-709A, 13-710 & 13-711

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** As per our phone conversation on April 9, 2015, Please supply a full chain of title for the water rights listed above in order for the department to sort out ambiguities or questions regarding the place of use of the water rights and the split portions you will receive. Please note even with this information there is no guarantee the department will have sufficient evidence to complete your application. On April 9, 2015 the department sent proof reports and information via email to assist you in completing this task. If you need that information again please notify the department.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
